## Trusting God

By: DeJarius Dunn

This upcoming August, I will be a senior at East Feliciana High School. Throughout the years, the journey to get there has not been easy. Being a teenager, the devil attacks us with wicked things of the world. Sometime it's difficult to grasp and apply God's word that is being taught in church to your everyday life. As a teenager and current high school student, I tend to face many obstacles that test my faith in God relating to my friends, schoolwork, but mostly my life. Going through high school has not only been a challenge, but a lesson on trusting God. I was faced with a very hard task and I didn't personally know how to handle it on my own. I decided to pray and ask God to help me overcome this obstacle. With continuous prayer and a lot of hard work, God finally answered my

prayer. This was a testament to the saying that God may not always show up when you want him to but he is ALWAYS on time!

God is our refuge and strength, a very present help in trouble. *Psalm 46:1*

## Never Stop Trusting God

Pastor Calvin Willis would like to encourage our teens to trust God no matter what! Knowing that you can lean on the Lord in troubled times; that's the hope that will bring you through. Apply God's word to your everyday life. Don't allow the enemy to make you think it's too hard or you can't do it. Those are just excuses because the Bible promises that anyone is able to know God's will, be forgiven of sin, resist temptation, endure hardship, serve obediently, and receive eternal life. God provides the power we need through Jesus' blood, the Scriptures, prayer, hope, love, and other Christians. Be encouraged and claim God's word. God always keeps his promises.
