“Making a Difference in our Community”

By: Mariah Whitfield

The New Year 2019 is about to come in and I believe there is an urgent need for we as teenagers to get closer to the Lord and more important to get more involved in the things of God rather than the things of the world. The word of God says in Matthews 5:6, blessed are they which hunger and thirst after righteousness, for they shall be filled. I see so many young black men being shot down, it don't make no sense, but it's happening right in our backyard and it seems like nobody is doing anything about it, why? We as Teens of the Mt. Gideon BC can make a difference by going into our communities and talking to other young people and encouraging them that they don't have to kill and shoot up each other but we need to have the love of God and pray for each other. We need to have a community youth rally with good gospel singing, fun, games and young ministers sharing the Word of God. We can do this Teens, yes we can! Let's rally and make a difference in our homes, our neighborhoods and the East Feliciana Parish. What's our next step TEENS, A YOUTH RALLY. LET'S DO IT!!!
