Spring Is In The Air

Let's Welcome Our Newest Church Ministry

The Hospitality Ministry

Pastor Willis and the Mt Gideon family has always been there to help and support our church and the community in many ways. To expand on that, this ministry will be able to provide support and assistance to the members of this church, visitors, guest and the community on a greater level.

They will assist with:

- Identifying and meeting the needs of the sick and shut in
- Informing the Pastor and Deacons when someone is sick or has been hospitalized
- Providing emotional support to bereaved families
- Coordinate Nursing Home visits
- Assist with other special events that require additional support and attention

What motivates you to work hard? My mom, who is there encouraging me to aim for straight A's in school. She believes in me and supports me at all of my practices and games when she's not working. She's in the gym with me on weekends throwing the ball to me while I work on my shots and dribbling until I say, "ok, Mom, I got my 300 shots in, we can go now". She pushes me to stay in church and pray everyday. Last but not least is God, who gives me the strength to do all things in school and who also has given me the skills and is continuing to grace me to be able to perform on the basketball court.

Movie Night gets "Thumbs Up"

The Youth gathered at the activity center to watch the movie *Breakthrough*. This true story was about a teen who falls through the ice on a frozen lake and is trapped under water for more than 15 minutes. Dr's told the family he wouldn't make it through the night, but a miracle happens as a community unites in prayer!
